Board of Directors (BOD):

- Nine board members are elected by the membership; three members are elected each year to a three year term. Board members are not compensated for their time, but, daily selling fees are reduced, and board members receive one work hour for every hour served at the board meetings and in conducting board business outside of the meetings.
- Regular meetings of the BOD are open to all vendors. Meetings take place the 2nd Wednesday of each month at 7pm, at the Cornell Cooperative Extension Building in Ithaca. From November through March, meetings start at 6 pm. (2015)

II. VENDOR RULES

Special Needs Requests: Any member/vendor may ask for a Special Needs, for financial relief or other needs. Applications are available to all members from the MM.

Member in Good Standing: Is defined as a member who attends a minimum of 5 markets each season and whose fees and work hours are up to date. Full members must attend at least 5 Saturday markets per season to maintain their status. Associate vendors must attend 5 markets per season, on either Saturdays or Sundays.

(Reserved stall vendors see page 7)

Voting Privileges: Each full member in **good standing** is allowed one vote for referendums and three votes for board elections. *(7/14/94)*

Leave of Absence: All cases involving a Leave of Absence require members to fill out a Special Needs form, available from the MM. All Leave of Absence shall be for one year only. *(9/97)* The Board shall decide each Leave of Absence on a case by case basis. **On any Leave of Absence, a market member shall be required to pay the yearly fee and the reserved space fee (if applicable) for the year of Leave.** Upon return from approved leave, the member may resume use of original space. If however, the member chooses to bid on a new reserved stall they may use points accrued during their last year of participation before Leave of Absence. **Members/vendors that return after an unapproved Leave of Absence lose their seniority status, including points and banked work hours, and reserved stall.** *(2/08)*

Owner: The IFM defines the business owner as the person(s) whose name(s) appears on the IFM Certificate of Membership, DBA, tax certificate/ID #, or liability insurance policy. **The business owner must be present at 25% of the markets in which the vendor participates, for the entire market day.** *(5/13/93)*

Member's Employees: Members who hire others to work in their stall at market are responsible to ensure their employees follow all IFM rules. Members will be held accountable for any fines due if rules are not followed. Fines are payable before the vendor may sell again. Employees of market vendors must park off-site and not in the customer parking areas. *(6/11/14)*

No Sharing a Membership: Members are not allowed to share a membership with a non-member unless they enter into a complete and full business merger. *(7/14/94)*

Loss of Membership: Violation of the Bylaws or Rules and Regulations are grounds for loss of membership.

Business Liability Insurance Requirement: A certificate of liability insurance naming the vendor as the insured for one million dollars, the IFM as the certificate holder, and the IFM as additionally insured must be submitted with new applications and renewal applications on an annual basis. **All IFM vendors are required to carry \$1,000,000 business liability insurance while at market.** *(2009)*

Saturday Stall-Sharing and Pop-Up Tents:

- Unreserved stalls 25, 26, 47, and 68 are considered shared stalls for Saturday Markets, and pop ups are allowed at MM discretion.
- The MM assigns these stalls according to the point system when they call on Friday.
- If a full member is willing to share their stall with a specific vendor, they will inform the MM. When that specific vendor is called (according to the point system), they can tell the MM that they would like to share with that full member.
- **Stall-sharing on Sunday will be at the MM discretion.**
Booth sharing will not be allowed unless all spaces in the pavilion are full, to create the appearance of a full market (2017).

III. VENDOR CONDUCT

Courtesy: Vendors are expected to treat fellow vendors, vendor's employees, market employees, and customers in a courteous manner at all times while at market. (10/10/2012)

Disciplinary Policy: The disciplinary policy is a three stage process. (9/12/2012)

- When the MM determines that a market policy has been violated, the vendor is given a verbal and written warning and the policy is explained to them. The vendor is required to correct the action before attending market again.
- After a second violation, the MM will remove that vendor from market temporarily, until their case can be addressed by the BOD, and necessary corrective action taken.
- After a third violation, the vendor is removed from market and the BOD will decide whether to remove the vendor from the IFM entirely.

Videotaping/Media Policy: Vendors or members of the public, who wish to videotape during market hours, (set-up, take down, or special events), must obtain permission from the MM. (2015)

Non-Discrimination: No discrimination is permitted at the market.

Non-Affiliation: Vendors who display or hand out materials from other non-profit groups or organizations must clearly state that such solicitation is not affiliated with the IFM.

Dog Policy: Vendors may not bring their dogs to market; exceptions may be granted by the MM. (9/12/91) In addition, customers may not bring their dogs into the pavilion during market hours, but may have them outside the pavilion on a leash. (9/09)

Vendor Line Policy: When a line is determined by the market managers to be disruptive to other vendors or customers, the vendor, in consultation with the market managers, must mitigate its effects through one of the following: line control devices, like stanchions, line management systems like number tags, or dedicate part of an employee's time to keeping customers out of the way of other vendors' booths. (2017)

No Amplification: No amplified music is permitted at the market except as approved by the music coordinator and the MM. Musicians may have an open guitar case (or similar) to accept donations, and may sell CD's of their music.

Smoking: Smoking is not permitted anywhere on the grounds, per City of Ithaca/Tompkins County ordinance.

Children's Sales: The IFM wishes to encourage young market vendors to learn communication skills, and gain sales experience. Vendors' children (16 and under) who wish to sell craft, food, or enhanced agriculture products at the market must check with the appropriate committee prior to selling their product at the IFM.

Vendor Attendance Notification: All vendors are required to inform the MM of when they expect to begin attending market for the season, and to likewise inform the MM when they are finished for the season. Vendors with reserved stalls must notify the MM of cancellations/absences to avoid fines, (*see IFM Fines, page 12*).

IV. WORK HOUR PROGRAM

The purpose of our work hour program is to help cover the cost of getting important market work done and to build a stronger market community thru membership participation.

- Members are required to pay non-working fees for any unfulfilled work hours.
- Non-working fees are calculated at \$20.00 per hour owed.
- Work hours are not transferable
- All work hour assignments are subject to approval by the MM

- Must complete work hours requirements by December 31st of each year or pay non-working fees. (\$20/hour) Market participation is prohibited until all fees are paid in full.
- May bank and apply extra work hours to future work hour requirements. Vendors are responsible for arranging work hour jobs with the MM and recording their own hours.

V. VENDOR CATEGORIES

The 60/40 Membership Rule: The market membership must be comprised of at least 60% agriculture vendors. Maintaining a majority of Ag members is important to the IFM's status as a farmers' market in NYS and allows the IFM to apply for special grants. The remaining 40% will be divided equally between artisan and food vendors. (2015)

VI. VENDOR POINT SYSTEM

The Point System was developed in order to keep track of each member’s annual market participation, and make the weekly stall lotteries and annual stall auction more equitable.

How Points are Accrued for Full, Associate and EE Vendors:

- Five points are earned for each year at market.
- One point is earned for each market attended the previous year.
- Points earned in the current year are applied to the following year.

Promoting EE Vendors:

- Yearly membership points are retained.
- Daily selling points do not follow for the first year of promotion.
- Daily selling points will accrue for the following year.

Example:

A vendor has been at market for 4 years, and attended 15 Saturday, 15 Sunday and 4 Tuesday markets last year.

Total points earned:
4 years x 5 points =
20+15+15+4 = 54 points

VII. RESERVED STALLS

Stalls awarded based on vendor points.

Annual Reserved Saturday Stall Auction: Each year the BOD will determine the number of stalls available for the Saturday stall auction on or before the March BOD meeting. Notification of available stalls will be through the official IFM newsletter that will include a pictorial floor plan of the pavilion, procedures for the auction itself, and the date of the stall auction, usually held in March.

- A vendor with a reserved stall may keep that stall from year to year only if they are a member in **good standing**.
- Members in **good standing** who wish to change their reserved stall may participate in the stall auction.
- Corner Stalls are used by Ag Vendors only. **Corner stall vendors must attend at least 25 markets.** [see *Ag Guidelines*]

- Reserved stall vendors who use more than 12 amps of the 110-voltage service are required to hire a licensed electrician to upgrade the service.
- Full Members with reserved stalls may add permanent improvements according to the Building and Grounds guidelines. Any changes to the stall must first be approved by the Buildings and Grounds Committee. *(see B and G Guidelines)*

Saturday Reserved Stalls:

- Only a full member is allowed to permanently reserve a stall on Saturday, and must attend a minimum of 15 Saturday markets each season to keep that reserved stall.
- If the vendor fails to meet the 15 market minimum they must submit a Special Needs Request **before December 31st**.
- **AFTER JANUARY 1ST THE VENDOR MAY LOSE THEIR RESERVED STALL.** The vendor must pay \$100 for each Saturday missed and/or be required to make up the missed markets the next season.

Annual Reserved Sunday Stall Auction:

- Each year the MM will determine the number of stalls available for the Sunday stall auction before the start of Sunday markets in May. Notification of available stalls will be through the official IFM newsletter.

Sunday Reserved Stalls:

- Sunday stalls may be reserved for the current season only, and vendors must attend a minimum of 12 Sunday markets. No stall alterations are allowed.
- If the vendor fails to meet the 12 market minimum they must submit a Special Needs Request **before December 31st**.
- After January 1st the vendor may lose the ability to reserve a Sunday stall for the following season. The vendor must pay \$100 for each Sunday market missed and/or be required to make up the missed markets the next season.
- **Full members with a Saturday reserved stall may not reserve a different Sunday stall, however they may participate in the Sunday lottery.**

Tuesday Reserved Stalls:

- Full and associate vendors can reserve a space for Tuesday market, and must attend a minimum of 8 markets to retain that space. *(6/10)*

Annual Reserved Stall Fees:

Saturday (full members only)	Sunday	Tuesday
\$100 - \$140 (circle end)	\$100	\$45

- Unapproved leave of absence.
- See appropriate committee (Ag/Artisan/Food) guidelines for more details.

- Failure to notify the MM of absence three or more times in one season will result in Board Review, and possible loss of reserved stall.

Litter/Clean-Up after Market:

- Vendors are required to keep their stall area neat and clear of obstacles, and take their trash with them at the end of market.
- Vendors must not dump anything other than clean water on the site. (No wash water, greasy water, or food). (2015) The sink behind the office is provided for rinsing dishes only.

X. CHANGES IN BUSINESS OWNERSHIP AND BUSINESS TRANSFERS

Owner: The IFM defines the business owner as the person(s) whose name(s) appears on the IFM Certificate of Membership, county issued business certificate, DBA, tax certificate/ID #, and/or liability insurance policy.

Adding a Partnership: The IFM considers adding a partner a partial transfer of business ownership. **All business transfers must be approved by the IFM BOD.** The owner must submit a county issued business certificate/DBA naming the partner, regardless of whether or not a vendor holds a Certificate of Membership.

Ending a Partnership: If an IFM business partnership ends or changes, the owner must submit a new county issued business certificate/DBA, to the BOD for approval.

Selling a Business: All business transfers must be approved by the BOD.

- **The new owner must buy a new Certificate of Membership.**
- The points accrued by the previous owner for years at market and number of markets attended **do not** transfer to the new owner.
- The work hours banked by the previous owner **do not** transfer to the new owner.
- **Until the end of 2019**, if the previous owner has a reserved stall, the new owner may occupy that stall if the new owner pays the reserved stall fee.
- **Beginning in 2020, any reserved stall held by an existing business owner WILL NOT transfer with the sale of the business. The stall will be made available at the next stall auction.** (2015)
- If a partnership ends, (the original business owner leaves), and the remaining partner retains full ownership of the business; half of the work hours and points earned by both owners, are retained by the remaining business owner.

Non-Degradation: The intent of the non-degradation rule is to insure that the original business' quality and integrity are being maintained by the new owner.

- The new owner is required to sell the same product line.
- The business will be evaluated by the appropriate committee for one year to monitor the quality of the product line.
- The new owner may jury new products to their line. (3/12)
- **A new owner may not, after any length of time, change his or her vendor category (i.e. an artisan vendor may not become an agriculture vendor). Nor may a new owner radically depart from the initial product line of the original business.**

- For the first year a business purchases another, the new business can only fill one third, (measured in footage), of the space with new products. After that year, the size increases to half of the booth. (2/13/13)
- When a business with an existing market booth is purchased, it is required that 70% of the booth display space must remain the same product for one year. (4/10/13)

Code of Conduct for Board and Committee Members: The IFM recognizes the contribution made by voluntary Board members and Committee members to the organization. The purpose of this Code is to maintain high standards of conduct, assist members in their work for the IFM and to protect the best interests of the IFM. (12/13/2012) **Throughout the Code of Conduct, the term “Board” is used to refer to both members of the Board of Directors and members of Committees established by the Board.**

a) All Board members are expected to:

- Support the IFM’s values, aims and policies once these have been agreed upon.
- Act only in the interests of the IFM and not on behalf of any constituency or interest group.
- Attend meetings of the Board and meetings of Committees of which they are a member. Board members who have three unexcused absences within a year will be removed from the board. (2/13/97)
- Follow Roberts Rules of Order, and respect the office of the President, to ensure the orderly conduct of meetings.
- Read the papers which have been circulated prior to meetings so that they can contribute fully to meetings.
- Attend relevant training events and to take reasonable steps to ensure that they are aware of the development of public policy and other issues which affect the work of the IFM.
- Occasionally, represent the IFM to outside agencies and organizations.
- Consider themselves at all times as being potentially regarded as ambassadors of the IFM.

b) All Board members are required to:

- Ensure that private or personal financial interest never influences their decisions.
- Ensure that they do not use their position as a Board member for personal gain.

- Disclose to the President any direct or indirect pecuniary interest or other interests which are not pecuniary but which could influence judgment or give the impression that the Board was acting for personal motives as soon as they are aware of any such interest; and voluntarily recuse themselves from voting on decisions in which they have a conflict of interest.
 - Note that the President has the right to request that a Board member withdraws from that part of the meeting when any such conflict of interest exists.
 - Resign from the Board if he/she has any business interests relating to the work of the IFM which either directly or indirectly gives personal advantage or conflict.
 - Comply with the IFM's policy for hospitality and gifts.
 - Not gain any advantage by virtue of Board membership if they use the services of a consultant, contractor, professional advisor or other individual firm that also works for the IFM and to disclose any such use to the Secretary.
 - **Not pass any information gained through their involvement with the IFM to a third party without the approval of the President. All Board and Committee papers should be regarded as confidential within the IFM.**
- c) **Misconduct:** Board members' conduct may be considered to be unsatisfactory when a breach of the Rules, this Code, standing orders or members' legal obligations has occurred. In cases where there is concern that a member's conduct may be considered unsatisfactory, the following procedure will be adopted:
- The President will arrange for an investigation of any allegation of misconduct to be conducted to establish the facts.
 - The President will invite two other members of the Board to form an Appeals Panel to consider the facts and to determine what action should be taken; if the complaint concerns the President then the Vice President will convene the panel.
 - The Appeals Panel will determine what action shall be taken. The action that will be taken will depend upon the seriousness of the misconduct and any previous misconduct.
 - In cases of serious misconduct, the Panel will seek a voluntary resignation from the Board and if such resignation is not forthcoming, formal procedures will be taken in accordance with the IFM's rules to remove the Board member.
 - A Board member has the right to appeal any decision made, and may make an appeal by writing to the President within 14 days of being notified of the decision by the Appeals Panel setting out the grounds on which the Board member is appealing. The Board (excluding the Appeals Panel members) will hear any such appeal and the Board's decision will be final.
