

Enhanced Agricultural Products Application

For products grown and produced by agricultural vendors using no more than 50% outside ingredients

- *At least 50% of the ingredients (by weight) must be grown by the vendor.*
- *If an ingredient can be farm grown within the 30-mile radius, it must be.*
- *New products must be juried and approved by the Agriculture Committee before being offered for sale at the Ithaca Farmers' Market. Please allow adequate time for this process.*
- *Sales tax applications must be submitted for ready-to-eat or drink products.*
- *All permits required by the Department of Ag. & Markets, Health Department, Fire Department, or Department of Taxation must be submitted to the Market Manager prior to sale.*
