

**Ithaca Farmers Market
Application for Agricultural Vendors**

Name(s): _____ Phone: _____
Farm name: _____ Email: _____
Address: _____ Website: _____

Please read the Guidelines for Agricultural Products before completing this section of the application.

Farm acreage: (If you farm in several locations please list all sites.)

Acres - Address

Total acreage in production:

Pasture _____ Crops _____
Greenhouse space (sq ft) _____ Orchard _____

Agricultural products you plan to sell: Please list below all the unprocessed farm products you plan to sell at market. If any of the products are not raised at your primary location, please give the address where they are grown. Quantity can be given in approximate acres, row ft., animal numbers etc. Vegetables can be listed as "mixed vegetables." (The more specific your listing of produce, the more information can be included in your information page on the web site for the market.)

Product	Quantity	Address
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Enhanced Agricultural products you plan to sell: Please list below any processed agricultural products you plan to sell at market. (See Guidelines for Agricultural Products for a definition of enhanced agricultural products.) For each product sold, list all the ingredients, the approximate percentage of that ingredient in the product (state whether by weight or by volume), and if the product is manufactured somewhere other than your farm note the address beneath the product name. All products in this category must be juried by either the craft or food committee. Contact the market manager to arrange the jurying.

Product Ingredient % in product Source of ingredient
